

County Agricultural Investment Program (CAIP) Certification for Educational Requirement

Participation in CAIP requires a minimum of one (1) educational component attained within the last 6-months related to farm management, production, best management practices or marketing. Examples of types of sessions include workshops, seminars, field days, university sanctioned on-line courses, webinars, etc.

- Administrating entity shall consult with the county council, cooperative extension, conservation and others when determining if a session meets the requirement.
- Documentation of attendance is required and the session must not have been submitted to meet CAIP education requirement for a prior year.
- Cost-share payments shall not be issued to producers before the educational requirement has been met. *Educational component may be attained anytime prior to disbursement of funds, but no more than 6-months prior to date of application.*

Your Name: _____

Topic: _____

Name of Presenter(s): _____

Organization sponsored session: _____

How does this session relate to your farm? _____

Write about your experience: example questions are: What did you learn? What did you see? Who did you meet? What did you discover? Did you find a new business contact?
